

The U.S. Electric Wheelchair Hockey Association (U.S. EWHA) is an all volunteer Minnesota non-profit organization, with a mission of providing a sports opportunity for persons requiring an electric (power) wheelchair in daily life. The U.S. EWHA was founded, and is run, by members of the first wheelchair hockey team in Minnesota.

## EVENT DETAILS

**When:** August 5-9th

**Where:** Augsburg College  
Minneapolis, Minnesota, USA

These players began the U.S. EWHA because of a need for a quality sports program for this portion of the disabled community. These athletes are NOT served by "well-known" organizations such as Special Olympics or Paralympic programs.

In August, PowerHockey™ teams from around the world are coming to Minnesota for the PowerHockey™ World Cup, the most ambitious wheelchair hockey event in history. This will be a history making event as it will be the first time teams from the US, Canada, Europe & Australia will compete against each other.

---

## VOLUNTEERS NEEDED

Volunteers will play an integral role in our programs.

We can find a way to put your skills to use in areas such as...

- Hospitality
- Communications & PR
- Goal judges
- Stat keepers
- Time keepers
- General helpers (pick up sticks when dropped and other general tasks)
- \*We will provide you with a short training session for any of the above tasks

---
